Minutes of the IQAC meeting held on December 7, 2010

- Today in the IQAC meeting the committee reviewed the various activities conducted in the academic year 2010-11. This was followed by discussion on the future plan for the next academic year.
- As per the recommendation of the NAAC committee the IQAC committee discussed on the ways to reduce the drop out ratio. It was also decided the students who come from a distance of more than 10 km and who belong to minorities, SC, ST, OBC should be provided stipend.
- The committee took a note of the participation of the faculty in the BISAG programme. It was suggested to promote and encourage all the faculty members to participate in such Faculty development programmes.
- In order to develop research aptitude in students the college motivated the students to conduct survey of the surrounding villages. However, it was felt that this initiative was not implemented in a proper way. Hence the committee suggested that such initiatives should be implemented in a proper way.
- The committee took a note of the timely starting of the Diploma Certificate course on Human Rights. It was suggested that attempts should be made to ensure more participation of students.
- The committee suggested the faculty of the institute should participate in more seminars and publish their research papers.
- It was suggested that the college should take concrete steps and get support from the nearby schools to improve the number of admissions.
- Students should be motivated to participate actively in curricular as well as co-curricular activities.
- Programmes promoting Equality and Brotherhood should be organized.
- It was suggested that the department of Gujarati should organize a state level conference.
